EXTOL Showcases B2B Integration Software at Oracle OpenWorld 2009

POTTSVILLE, Pa. (October 11, 2009) — EXTOL International Inc., a member of the Oracle® PartnerNetwork, will attend Oracle OpenWorld 2009 for the first time. Visitors can view demonstrations of EXTOL integration software in Booth 4014, Moscone West at Oracle OpenWorld 2009 (October 11-15, Moscone Center, San Francisco).

EXTOL offers various integration solutions for the Oracle E-Business Suite and Oracle's JD Edwards, including the EXTOL Business Integrator (EBI), a cross-platform B2B integration solution. With EBI, users create and deploy B2B integration processes without programming. EBI supports EDI, XML, spreadsheet, database and flat file business data, and it integrates seamlessly with existing applications and business processes in both real-time and batch applications.

For more information, visit www.extol.com. For Oracle OpenWorld 2009 information, visit www.oracle.com/us/openworld/index.htm.

About EXTOL International Inc.

EXTOL International Inc. is a leading provider of B2B, application, and data integration solutions for mid-sized companies and other lean enterprises. EXTOL enables companies to exchange and integrate transactions and documents, regardless of format, between their applications and those of their partners. The EXTOL Business Integrator is a B2B integration solution with support for EDI, XML, spreadsheets, flat files and databases. For more information, visit www.extol.com.

About the Oracle PartnerNetwork

Oracle PartnerNetwork is a global business network of more than 21,000 companies that deliver innovative software solutions based on Oracle software. Through access to Oracle's premier products, education, technical services, marketing and sales support, the Oracle PartnerNetwork program provides partners with the resources they need to be successful in today's global economy. Oracle partners are able to offer their customers leading-edge solutions backed by Oracle's position as the world's largest business software company. Partners who are able to demonstrate superior product knowledge, technical expertise and a commitment to doing business with Oracle qualify for the Certified Partner levels. <http://oraclepartnernetwork.oracle.com>.

** EXTOL International Inc. is an Independent Software Vendor in the Oracle PartnerNetwork.*
